NORTH SOMERSET GROUP

Much work has gone into the organising of this programme. We hope that there is something of interest for everybody. Any ideas you may have for the next year's programme (2026) are always welcome. We hope you will try to attend as many meetings as you can. Visitors and guests are always welcome.

Like all programmes planned up to a year in advance, there could be last minute changes due to unforeseen circumstances.

The Committee reserves the right to alter or amend this programme without notice.

Further details of events will be announced at Club meetings nearer the dates allocated.
